- Required Participation in all guest instructor seminars (minimum of two sessions)
- Required participation in 3 day Elite Training at date TBD
- February or April training camps (must attend at least one)
- Home Kata & Drill practice.
- Fundraising
- 4 – 5 days of travel.

**Fund Raising**

Our goal is to help get well-deserving athletes to the prestigious Karate Nationals Tournament (PA, July 2016). Since all team members (kids and adults) will equally share team funds, all members (parents of children + adult members) are required to equally share in the fundraising efforts.

Team members (or their parents for the children) should actively participate in fundraising programs. It is difficult to measure and unrealistic to require the same participation level from all. However, if there is a glaring case of a non-contributor then that team member may be asked to contribute more time in some other fundraising event. We want the fundraising to be fun and rewarding as it builds team spirit and helps all members afford this fantastic opportunity.

We also need talented individuals to contribute ideas and lead the fundraising efforts. Sensei Rossini will oversee the fund raising efforts but counts on these dedicated individuals to make fundraising a success.
